### 1. The Integrated Program

a. At his earnest request JOT [REDACTED] was transferred from the OFC to the OC on 8 October. This is the first such transfer in recent classes and it was effected only after careful consideration by the Chief Instructors concerned and his JOTP Training Officer. A significant factor was his excellent performance in the OFC which showed promise for assignment in the Clandestine Services.

The mechanics of processing JOT applicants and the considerations in selection were thoroughly explained. In the discussion which followed we were able to clear up many misunderstandings, with the result that excellent rapport was developed. It was a healthy and profitable exercise.
